3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The institution (Yashwantrao Chavan Warana Mahavidyalaya) is situated at 'the foot of the Sahyadri range', an area with rich natural resources. It is a part of the 'Warana Education and Industries Complex'.

Warana Complex is known for its innovative practices namely the production of the First colored sugar manufacturing unit in Asia, the production of tetra-packed sugar cane juice, and sugarcane juice candy, and Unique dairy products (brands) like Warana Lassi, Shrikhand, Amrakhand, unique products of women cooperative movement viz., 'Lijjat Papad', pickles, bakery products.

The institute is progressing with a vision 'To become an academy of excellence in higher education and Human resources and development in rural area' and mission 'We stand united and determined for the total transformation of rural youth of Warana region towards self-reliance, confidence, and enlightenment through higher education.

We are organizing workshops on innovative and entrepreneur skills like commerce festival, mathematics festival, fun games, Food festival, innovative topics for Avishkar, preparation of herbal products, Nature games, brain-teasing quiz, and Today's Plant activity, drama, role play, etc. The institute has signed MoU with regional industries and NGOs for better exposure to students. The output is published in form of research papers, books, and articles.
