Curriculum Planning and implementation 2020-21

We follow the syllabi designed by Shivaji University, Kolhapur. We design curriculum following the academic calendar of SUK and enrich it by proper planning of teaching, learning, evaluation, and co-curricular, and extracurricular activities. It is effectively implemented through the delivery of the Curriculum.

Measures were taken for effective delivery:

1. Timetable: Subject and workload-wise timetables are prepared by departments following the master timetable of the institute. The data is provided for the institutional academic calendar.
2. Regular meetings at the departmental level and with the principal are held to discuss the planning and implementation of the curriculum.
3. Institute promotes the effective use of ICT in teaching-learning and evaluation and remedial coaching for students.
4. CIE is done through Departmental unit tests and assignments.
5. Department plans students' seminars, celebrations on various days, organization co-curricular activities, and mentor-mentee interactions.
6. The institute conducts an educational tour in a special 'Study tour Week'.
7. Institute plans organization of workshops on the syllabus, research conferences, seminars, etc.
8. Departments plan 'Library visits for students to make them familiar with educational resources.
9. Follow-up meetings are held at the departmental level to ensure proper and complete delivery of the curriculum
