STUDENT SATISFACTION SURVEY 2023-24

QUESTIONNAIRE

Dear Student,

Thank you for keeping faith in the quality education provided by the Institute. The institute was established by Sahakar Maharshi Tatyasaheb Kore to provide quality education to the students in Warana River Basin of Western Maharashtra. We are striving continuously for the last 60 years to maintain excellence in quality education. This questionnaire is based on Teaching-Learning and evaluation processes. Your feedback will help us to improve the quality of education.

Thank you

Sometimes teachers take out their personal frustrations on students

One incident which made me personally ashamed of teachers was when m.n Patil Sir of botany scolded us for doing experiment in botany lab

And threw us out saying don't come in here, it's not for anyone, this isn't your lab.

He screamed and made a scene, 2 girls in our class cried for hours because they never faced such humiliation.

To tell you the full story, we are biochemistry students, this experiment was of electrophoresis which is useful in botany as well, and the head Khot sir requested our head Shaikh sir to perform this experiment in botany lab so that their botany teachers and students could learn, we had our lab we're not beggars but we were treated like beggars that day.. he said 'Kon pan yetay aethe, tumch Kay Kam ahe, nighaaethun!

Konala Kartay Tyala Kara complain mi oradlo mhanun, mi nhi bhit konala, murkh kuthle'

He scolded and threw us out without knowing anything and the result was it hurt the students only because teachers are never held responsible.

Never faced such humiliation and disgrace ever.

It's a shame on teachers, college and university to treat students like this.

he is teaching very good.
