**FACILITIES AVAILABLE FOR SAFETY AND SECURITY OF WOMEN ON THE
CAMPUS:**

- a. **Safety and security:** Safety and security measures on campus are robust and comprehensive. The campus provides 24/7 security coverage, including at the girls' hostel, where two female rectors and a security guard are present in shifts. Separate pedestrian pathways for boys and girls further enhance safety. The entire campus is monitored through CCTV surveillance, adding an additional layer of security. To address any concerns, complaint boxes are available, and contact details for the Nirbhaya Police squad are prominently displayed. The campus also has active initiatives such as the 'Prevention of Sexual Harassment at the Workplace' committee and the 'Anti-Ragging Cell,' ensuring a safe and secure environment for all students.
- b. **Counseling:** Counseling sessions are organized by the Principal in collaboration with the counseling committee at the beginning of each academic term. Faculty members are responsible for informing students about various topics, including empowerment schemes, women's rights, dress code policies, identity card procedures, and codes of conduct. Additionally, the committee regularly conducts gender awareness programs throughout the academic year to foster inclusivity and understanding among the student body.
- c. **Common Rooms:** The College has designated three common rooms for female students, equipped with necessary facilities, along with one common room for female staff members. Additionally, a separate reading room is provided for female students within the library.
- d. **Institutional fellowship for Ranker girls:** In a memory of Mrs. Shobhatie Kore, a fellowship of around 10,000 is given to the girl student of each class who gets the highest marks.
- e. **Other facilities:** The College provides a variety of amenities and programs to ensure the safety, well-being, and empowerment of its students, with a particular focus on female students. Well-equipped first aid facilities, and strategically placed fire extinguishers for emergencies. The college also promotes a supportive environment for female students by offering dedicated vehicle parking near the girls'
