The college follows a transparent and robust mechanism of internal and external assessment prescribed by the affiliating university and the college examination committee.

Internal Examinations are conducted in three modes:

- Term Work evaluation
- Continuous internal evaluation for all semesters
- UG Semester-I and II examination

Term Work consists of **group projects/ seminars/ home assignments, etc.** These are conducted by each department as per university guidelines before the semester-end theory examinations. Internal marks are uploaded on the university portal in the stipulated time.

Institutional Continuous Internal Evaluation: Scheduled by the college examination committee and conducted by departments in online/offline mode. The schedule, supervision chart, and notification to students and faculty are done by the examination committee. The departments prepare their own schedule under the coordination of the Head of Department. The subject teacher does the evaluation within the prescribed time. The results are monitored by the HODs and declared on the notice board. High performers are appreciated in the class and low scorers are given counseling.

UG semester-I and II examinations: conducted by the institution as per the schedule given by the university. The senior internal supervisor has been appointed by the Principal. The evaluation is done by the course-handling faculty members within the prescribed time from the date of examination and marks are uploaded on the university portal.

The College has designated a separate examination center having the necessary equipment including computer, internet, xeroxing, printing, locker room, etc. The examination center has restricted access and continuous CCTV surveillance. Exams are held under strict invigilation.

External (University) examination is conducted in two modes:

- Summative Theory Examination (All courses except UG-I)
- Practical examinations

Summative Theory Examination: These are **robust and transparent**. The exams are conducted as per the rules and regulations of Shivaji University. The university appoints the paper setters, examiners, and moderators, and declares the schedule of examinations and results. Assessment of answer books is done centrally (CAP center). Transparency during examination and evaluation is maintained by appointment of flying squads and by following coding and masking of answer books.

Practical examinations are conducted as per the University schedule in the presence of university-appointed examiners. The marks are uploaded on the university portal in the stipulated time.

Mechanism to deal with a grievance is transparent, timebound, and efficient:

The institute has a well-organized redressal system for internal examination-related grievances.

Particulars	Address to	duration
Registration of grievances	Head of the Department	3 working days after the result declaration
Grievance resolution	Subject teacher, HoD / Examiner / Principal	Within the next 3 working days

Re-examination: Conducted for students who could not attend the exam due to reasons like medical problems/ participation in sports / cultural / NCC / NSS events.

Grievance in external assessment: The Grievances of students received within the stipulated timeline regarding the receipt, erroneous mark list, rechecking, re-evaluation, photocopying of the answer sheet, etc. are forwarded to the university examination center through the proper channel. A Follow-up is taken to resolve the grievance.
